Dimensions	Length	mm	3925
	Width	mm	1605
	Height, overall	mm	2025
	Front tread centers	mm	1280
	Rear tread centers	mm	1280
	Wheelbase	mm	2495
	Ground clearance front/rear	mm	293 / 257
	Turning radius	m	5.2
Towing capacity		kg	590
Payload capacity		kg	754
Curb weight		kg	1060
Cargo bed	Width	mm	1384
	Length	mm	1837
	Depth	mm	294
	Volume	m ³	0.74
	Bed height (no load)	mm	924
	Load capacity	kg	550
	ProKonvert	Standard (Foldable/Removable Side Panel with Tool-less Flatbed Conversion)	
Tires	Front	25×10×12 HDWS, 6-PLY	
	Rear	25×10×12 HDWS, 6-PLY	
Wheels		Steel	
Front Guard		Standard Front Guard	
Hydraulic bed lift		Standard	
Spray-on Bed Liner		Standard	

* SAE J1995

The company reserves the right to change the stated specifications without notice. This brochure is for descriptive purposes only and reasonable efforts were used to set forth the contained information; some items shown may be optional and some products shown may not be available at all dealerships. Kubota disclaims all representations and warranties, express or implied, or any liability from the use of this brochure. For complete warranty, safety and product information, consult your local Kubota dealer and the operator's manual. Power (HP/KW) and other specifications are based on various standards or recommended practices. For your safety, Kubota strongly recommends the use of Rollover Protective Structure (ROPS) and seat belt in almost all applications. This brochure is intended for Commonwealth of Australia and New Zealand only. For information regarding Kubota products or services outside these areas, see Kubota Corporation's global web site. Kubota does not provide parts, warranty or service for any Product which is re-sold or retailed in any country other than the country for which the Product(s) were designed or manufactured. For display purposes, the previous model's photographs may be used on this brochure.

BUILT TO OUTWORK

Kubota's high performing and reliable diesel utility vehicle range just got even better with the addition of the all-new RTV-X1130. This long bed model holds true to the legacy of the RTV-X Series; powered by Kubota's D1105 Diesel Engine, paired with VHT-X transmission, hydraulic dump box and power steering; features that has made the X-Series so popular. With it comes a suite of new features like ProKonvert functionality and new cargo box accessories, that represent capability re-imagined. No matter what job you have to get done, or how you like to spend your free-time, the RTV-X1130 is built to outwork!

TOUGH & DEPENDABLE

POWER YOUR PRODUCTIVITY

CAPABILITY RE-IMAGINED

TOUGH & DEPENDABLE

Full Steel Frame/CV Joint Guards

The high-rigidity steel frame isolates the occupants from noise, vibrations, and harshness. With structural strength that few in the industry can match, this durable frame can take years of punishment from heavy loads and rough terrain*.

*See owner's manual for details.

VHT-X (Variable Hydraulic Transmission)

Kubota's VHT-X provides exceptional performance on various terrain with smooth and powerful acceleration. Low-speed driving is made exceptional through smooth throttle control, great traction and maneuverability with or without loads.

Wet Disk Brakes

The RTV-X series uses multi-disk wet brakes which provide long brake life. You'll also feel more secure, especially when traveling down long inclines, knowing that dynamic braking is helping to provide additional braking power and greater driving control.

POWER YOUR PRODUCTIVITY

6ft Long Cargo Bed

It's not enough to get you there and back. You need to get your stuff there and back as well. This heavy-duty 6ft steel cargo bed can do that for you, carrying more than a half-ton (550kg) of tools, firewood, gear, supplies...whatever you need to haul from here to there and back again.

Standard Hydraulic Dump Bed

Dump sand, gravel, turf, or just about anything you can think of, from the RTV-X1130's whopping, 0.74 m³ capacity cargo bed. Cargo that could take significant physical strength and time to unload can now be dumped with little effort in mere seconds.

Height Adjustable Suspension

Regardless of the terrain or load, independent suspension on all four wheels helps to ensure an exceptional ride. Kubota's Extra Duty IRS (Independent Rear Suspension) technology is durable and powers your productivity.
